

A photograph of a train on tracks at sunrise. The train is on the left, moving away from the viewer. The tracks lead towards a bright sun on the horizon, creating a lens flare effect. The sky is filled with soft, golden light and some clouds. The ground is covered in gravel and grass. The word 'DIRECTION' is overlaid in large, semi-transparent white letters across the bottom half of the image.

## THINK

What does the road ahead look like for you right now?

Look at the signs and ask yourself these questions:

**CROSSROADS**

What choices and decisions are you facing?

**FALLING ROCKS**

What challenges and obstacles are making progress hard?

**NO ENTRY**

What decisions do you regret?

**BICYCLE**

Does it feel like you are freewheeling, and life is running away from you?

**ROUNDABOUT**

Do you feel trapped and like you are going round in circles?

**SLIPPERY ROAD**

How slippery is your road through life right now?

**GIVE WAY**

Have you ever given God the right of way in your life?

**STOP**

Stop and take time to think about your responses to the questions.

## READ: GOD'S DIRECTIONS

The Bible invites us to:

*Trust God from the bottom of your heart.*

*Don't try to figure out everything on your own.*

*Listen for God's voice in everything you do, everywhere you go; He's the one who will keep you on track.'*

PROVERBS 3:5-6

## PRAY

*You might find the words of this prayer helpful:*

Father God,

The road ahead is unclear and I need direction.

Please show me the way to go.

Help me to pay attention to the signs you give me.

Please bring clarity and direction to my life.

Amen
